

Visiting ATAG

The Air Transport Action Group is located in the IATA Centre at Geneva Airport. Ask for us at reception.

Address:

33 Route de l'Aéroport, Geneva Airport, Switzerland

From the airport:

On the arrivals level, walk towards the train station. After the Swiss Chalet restaurant, turn left and exit the building through the automatic doors. At the top of the steps turn right where you will see a large brown glass building, walk all the way along the front of the building, where you will find the entrance to the IATA Centre.

From Geneva city centre / by rail:

The fastest way to get to the airport is by train (SBB CFF FFS is the Swiss rail provider). From Geneva Airport train station, head towards the arrivals level of the airport. Enter the terminal through the revolving door after which turn to your right and exit the building through the automatic doors. At the top of the steps turn right where you will see a large brown glass building, walk all the way along the front of the building, where you will find the entrance to the IATA Centre.

By taxi:

Ask the driver to take you to the IATA Centre at Geneva Airport. Most will know the building. It is at 33 Route de l'Aéroport, Geneve Aeroport. The IATA reception number is +41 22 770 2525 if they need to call.
